WELCOME TO THE SCOTTISH YARN FESTIVAL

FÀILTE GUN FÈIS SNÀTH NA H-ALBA

EVACUATION

Please take a moment to familiarise yourselves with your surroundings. Should the fire alarm sound, make your way to the nearest exit and proceed to the designated meeting point which is the large grass area in front of the Leisure Pool.

CLOAKROOM

Scotland's Charity Air Ambulance (SCAA) are looking after our cloakroom which you will find tucked away about half-way down the right-hand side of our marketplace. There will be a charge for each item deposited and all funds will go directly to the charity. SCAA relies on donations to fly life-saving care to emergencies all over Scotland, 365 days a year. One of their two air ambulances, Helimed 76, is based at Perth Airport.

QUIET ROOM

We have a quiet room available to anyone who may feel overwhelmed in environments such as our festival. Please look for the signage to the Kinnoull Room or ask either one of our volunteers or a member of the Live Active Leisure staff if you need assistance to find it.

FIRST AID

All Live Active Leisure staff are first aid trained. A public access defibrillator is also on site.

REFRESHMENTS

We're excited to be working with local businesses BLEND, and Johns Scone Mad this year. BLEND will have a catering trailer in the car park at Dewars as well as a pop-up stall within our marketplace. You'll find Johns Scone Mad on the First Floor in our break out crafting space.

TALKS

All our talks are ticketed and take place in the Hay Room, located on the First Floor.
