FIRST AID

Venue staff, Security, and some event volunteers are first aid trained. If you find yourself needing help please go to The Scottish Yarn Festival & Merch stall.

COLLECTION OF PRE-ORDERS

These can be collected from The Scottish Yarn Festival & Merch stall.

REFRESHMENTS

A coffee and snack bar can be located within the Foyer. Being in the centre of Perth we are surrounded by a large variety of fantastic independent coffee shops and cafes that use local roasters and producers who would also love to welcome you. We would ask that you consider supporting them during your time at the Festival. You may bring your outside food and drink purchases into the venue if you do not wish to sit in their establishments.

PRESENTATIONS

On the door tickets are available for Building A Sustainable Future... With Wool (11:30am) and Tartan Throughout The Ages (2pm). Please note our presentations take place in the Norie Miller Studio on Saturday only, and tickets are available on a first come, first served basis.

PERTH UNESCO CREATIVE CITY OF CRAFT AND FOLK ART

The UNESCO Creative Cities Network was launched in 2004 to promote cooperation among cities which recognise that creativity is a major factor in their development. Perth joined in 2021 after a successful bid that focused on the importance of craft to the history and heritage of the city and surrounding area from the 16th Century to present day.
